Accuplacer Placement Test
Testing Accommodations

Policies and Procedures

Students must self-identify to the college that they have a learning need requiring testing accommodations when taking the Accuplacer placement test. Testing with accommodation is not allowed in the group setting and must be scheduled in the Academic Success Testing Center | Located in the Library | Room 130.

Required Documentation

Students must provide one or more of the following documents to support the need for testing accommodations at least three (3) days prior to the scheduled test date for evaluation by the Disability Services Coordinator:

- IEP
- 504 Plan
- 3-Year Evaluation (educational testing)
- Neuropsychological Evaluation Report
- Letter from physician, psychologist, or psychiatrist stating diagnosis and needed accommodations

Scheduling Testing

Call (603) 578-8905 to schedule the Accuplacer test in the Academic Success Testing Center | Library | Room 130 as testing accommodations CANNOT be provided in group testing sessions.

Testing Information

Students testing with accommodations may opt to take the test in sections.

Students can retest in each section of the Accuplacer up to three (3) times.

Test Fees

There is no charge for the first Accuplacer test.

Students who choose to retest in one or more Accuplacer sections must pay the $20 test fee.
