

Why choose Honda/Acura Automotive Technology?

The Honda/Acura Automotive Technology program, otherwise known as PACT (Professional Automotive Career Training) is a partnership among Nashua Community College, American Honda Motor Company Inc., and regional Honda/Acura Dealers.

The program is designed to train students for employment in Honda/Acura dealerships and prepare them for ASE Master certification. Students receive training through a combination of classroom theory, hands-on lab work, general education components, and an internship with a local dealership.

Technical instruction is conducted in a professionally equipped, modern facility and American Honda supplies the program with vehicles, special tools, and access to technical data.

Upon graduation, students will have received a large percentage of the required training needed to become a Honda/Acura Master Technician and will also be prepared to achieve ASE Master certification.

Program Outcomes

Students who graduate from this program will be able to:

- Evaluate, diagnose, and repair various automotive systems using NATEF guidelines
- Use technology and basic scientific principles for research and problem solving
- Employ effective written and oral communication skills
- Demonstrate effective technical writing skills
- Utilize mathematical logic and analysis for problem solving
- Understand the connections between individuals and society
- Have the ability to achieve ASE Master certification
- Demonstrate proficiency with the Honda Interactive Network and other technological and information resources
- Demonstrate effective interpersonal skills
- Perform reading skills at a college level

In addition, the graduate will be able to demonstrate competency in the general education outcomes.

Register

Register for all of the courses recommended each semester. Take at least 14-16 credits each semester to graduate in two years. **A HIGHER PERCENTAGE OF STUDENTS GRADUATE WHEN THEY COMPLETE 30+ CREDITS WITHIN THEIR FIRST YEAR!** (Research by Complete College of America)
