

Accuplacer Math Prep

Accuplacer Math Preparation (A.M.P.) is a 7-week non-credit course that may be taken to strengthen basic math skills. This course is ideal for new and current students looking for an Arithmetic math refresher class. If you need help with fractions, decimals or percentages –Then this course is for you!

A.M.P. is designed as a lecture/lab where students will be able to work independently on their individualized study plan. Using MyMathTest, a web-based tutorial, students will be able to log on to their plan from any computer with Internet access. Students finish the course by re-taking the Arithmetic math portion of the Accuplacer placement test.
