IMPORTANT

INFORMATION ABOUT 2019-2020 TUITION & FEES

Nashua Community College is presently accepting registrations for the Fall 2019 semester, and billing at the 2018 academic year rate of **\$215 per credit** (plus applicable fees) for in-state students*.

After July 1, there may be a change in the tuition rate for the 2019-20 academic year, including the upcoming Fall semester.

CCSNH sets tuition after the State of NH budget is passed, at the end of June.

Should tuition rates or fees change, we will update all bills to reflect the new rates and will make them available via the Student Information System (SIS).

We apologize for any inconvenience this may cause and encourage you to log-in to SIS and monitor their charges and financial aid packages throughout the summer months.

If you have questions, contact the Bursar's office at **603-578-8902** for more information.

*The current year (2019) rates for non-NH students is as follows: NE Regional Student Program: \$323/credit. Out-of-State and International students: \$490/credit. See <http://www.ccsnh.edu/about-ccsnh/tuitions-fees>
