Click on “Enter Secure Area Here for Summer and Fall 2015.”
Logging into SIS

Your student ID is a 9 digit number beginning with “A”. Ex: (A12345678). The first time you login, your PIN # is your six digit date of birth. Ex: If your date of birth is July 27, 1996; your PIN is 072796.
Changing Your PIN

The first time you login, the SIS might ask you to change your PIN since everyone’s PIN is their six digit date of birth. You must change it to another number that can be 6-20 digits. Make sure it is something you can easily remember!!
Please choose a security question from the drop down menu and choose an answer you can easily remember. This will help you login should you forget your PIN.
There are two menus in the SIS: Personal Information and Student Information System!
The Personal Information Menu is where you can find your EasyLogin username and password; change your address/phone number; sign up for NCC Alerts; and see who your Academic Advisor is.
Is it snowing out? Wondering if classes are cancelled? Sign up for NCC Alerts and take the guess work out of wondering whether or not to come to class!
