

SUMMER SESSIONS 2020

IMPORTANT INFORMATION

Summer Semester at NCC

1. Turbo term (May 11-May 22) – 100% online
2. First Six Weeks (May 26-July 2) – 100% online*
3. 12 Week terms (May 26-August 14) – 100% online*

*For courses that had been previously scheduled face to face, instructors will provide a synchronous (e.g., Zoom) meeting time each week. The specific format of the synchronous meeting time will be determined by each instructor. Each instructor will clearly communicate information about synchronous meeting expectations in his/her syllabus.

4. Second Six Weeks (July 6-August 14) – Hybrid**

**Each instructor will develop a plan to deliver instruction in a combination of online (asynchronous and/or synchronous) and face to face learning experiences on campus. Each instructor will clearly communicate course expectations in his/her syllabus.

Synchronous (S) = Scheduled, digital class time. Synchronous classes include activity, such as a Zoom meeting, where the whole class meets together at a scheduled time.

Asynchronous (A) = Self-paced coursework. Asynchronous classes include activity, such as a discussion board, with no common meeting time; students work on the assignment at different times.

NOLO Courses = no or low cost course materials. Textbooks and other materials for these courses cost under \$40. Look for the Yellow bar!
